Emmaus Catholic MAC

The Story

Emmaus Catholic MAC is a Multi Academy Company under the Archdiocese of Birmingham. Emmaus Catholic MAC was first formed in October 2014, at which time it was known as St Nicholas Owen Catholic Multi Academy Company. In February 2021, following a merger with an existing Multi Academy Company, Emmaus Catholic MAC became a larger MAC of ten schools, spanning four different Local Authorities: Birmingham, Dudley, Sandwell and Worcestershire. From 1 September 2024, the Emmaus family expanded to a MAC of fourteen schools, with four Worcestershire based Catholic primary schools joining us.

Emmaus Catholic MAC is based on excellent working relationships, with the aim of strengthening and improving further the life chances of all the young people within our strong Catholic partnership.

Emmaus Catholic MAC is committed to supporting and developing our staff as we continue to secure and improve Catholic education in this area of the Diocese.

We are inspired by the example and teachings of Christ and we strive for excellence in all that we do and it is very much a collegiate endeavour, where we bring together the best of our talents to ensure:

- The mission and ethos of each school in our MAC is protected, allowing them to remain vibrant schools at the heart of their Catholic communities, whilst benefiting for all that being part of a MAC can offer.
- We use our collective experience to leverage benefits in terms of collaboration, governance, finance and administration across the MAC, enabling Principals and Local Governing Bodies (LGBs) in our schools to focus on delivering an outstanding educational experience for our children.
- Schools joining our MAC feel engaged and play a key role in shaping our future development as we seek to create an inspiring, developmental, and nurturing environment for the benefit of all.

Governance is a significant part of ensuring our schools are successful in achieving our overall strategy and the work of our voluntary network of Governors' and Directors' is invaluable which is why in Autumn 2023, we commissioned an External Review of Governance. This review has enabled us to form a MAC wide action plan, along with individual action plans tailored to each school's LGB.

In addition, Emmaus is currently at an exciting time in our journey as, in line with the Diocesan Academy strategy, Emmaus has welcomed four new Worcestershire schools. We welcome aspiring Directors to join our team of volunteers in supporting our mission and committing to our vision of excellent Catholic education for all.

Chair of the Board of Directors

Our Vision

Motto

Vision

Transforming Lives: inspiring ambition and empowering young people to change the world.

Mission

As a family of schools, united in Christ and working together as one, we exist to deliver excellent Catholic education and faith formation to every young person, in every school, every day.

VALUES

Excellence

Serving Together

We believe that by working and serving together as a family of schools, we can achieve more, by accelerating school improvement, excellence across our schools and wider organisation, thus creating more opportunities for lifelong success for our young people.

We recognise the Christian call to serve within our schools and wider communities. By caring for others and putting their needs first, we acknowledge the gifts God has given us and recognise Christ in those we meet.

We will work with others beyond our network to create capacity in the sector to benefit more young people and communities.

High Expectations

We maintain High Expectations in all we do, and are ambitious for ourselves, our communities and our environment. We accept nothing but the best.

Inclusion

We care deeply about every member of our community and make every effort to ensure a deep sense of belonging. We work hard to promote inclusion, remove disadvantage and reject discrimination to create equity of opportunity.

Nurturing Faith

We are committed to an ethos in which the Gospel message is proclaimed, community in Christ experienced, service to each other and the wider world community is recognised, and thanksgiving and worship of our God is nurtured.

Excellence

Through excellent leadership, teaching and outcomes in every school, we support all young people to achieve their potential.

Why join Emmaus?

Catholic Collaboration

There are more pressures facing our Catholic schools than ever before, including:

- School finances
- Pupil numbers
- Recruitment and retention of staff
- Succession planning for leadership
- Increased challenges at Ofsted and Catholic School Inspections
- Covid recovery

Working together as part of a strategic, collaborative Multi Academy Company provides the opportunity for schools to address these challenges together.

Our Board is made up of Foundation Directors with a wide range of experiences and expertise from business, industry and education who work, in a voluntary capacity, to ensure the ongoing health and success of all MAC schools.

Diocesan Academy Strategy

In September 2014, our Archbishop, the Most Reverend Bernard Longley, set out the vision for Catholic Education in the Birmingham Archdiocese with the intention of all schools joining one of the families of Multi Academy Companies (MACs) that are being established across the Archdiocese.

The aim is to secure, protect and continue to improve Catholic education as the Church has seen as its mission for over 150 years.

Emmaus is currently at an exciting point in which as of 1 September 2024, we have welcomed 4 Worcestershire schools to the Emmaus family.

Promoting Local Networks

Emmaus Catholic Multi Academy Company promotes and protects collaboration between our schools, as well as with other local schools.

The MAC holds half-termly Committee of Principals meetings, which allow all Principals to contribute to key issues and ideas within Emmaus.

In addition, subject leadership meetings are held enabling colleagues to collaborate, moderate and support each other with specific needs for their subject.

LGB Chairs' Network meetings are held termly, ensuring that lines of communication between the Board and LGBs are maintained.

Information

Emmaus Catholic MAC is currently seeking to recruit Foundation Directors to the Board of Directors to ensure high standards of achievement for all children and young people across the MAC by setting the MAC's vision, ethos and strategic direction; holding the CEO to account; and overseeing the financial performance of the MAC and making sure its money is well spent. The Board of Directors is made up of the following committees:

What is a Foundation Director?

Foundation Directors are key strategic decision-makers in a Catholic Multi Academy Company (MAC). The legal responsibility for the performance of each academy rests with them. Their voluntary role is strategic rather than operational much in the same way that the role of a Foundation Governor is within a single non-academy Catholic school. The Directors of the MAC delegate responsibilities, through the Scheme of Delegation, to the CEO, Local Governing Bodies (LGBs) and Principals of each school. A Foundation Director represents the interests of the Diocesan Bishop on the Board and as such should be a practising Catholic in good standing with the Catholic Church. A reference from a parish priest will be asked for as part of the recruitment process.

Foundation Directors have a legal duty to preserve and develop the Catholic character of the MAC and to ensure that the MAC and its schools are conducted in accordance with its trust deed. This includes:

- Being familiar with, and supportive of, the policies and procedures of the archdiocese
- Representing those policies to the governing body
- Considering not only the interests of the MAC, but the interests of other schools and of Catholic education throughout the archdiocese
- Responding to the needs of the Catholic community as a whole as represented by the Archbishop.

Diocesan Criteria for Appointment as a Foundation Director

To become or remain a foundation director, a person must be and remain:

- A practising Catholic
- Able to give priority of attendance at meetings of the Board of Directors to ensure representation of the Archbishop
- In possession of a valid DBS disclosure certificate (which can be arranged with the MAC)

To become or remain a foundation director, a person must not be disqualified from becoming or remaining a governor in accordance with:

- the current School Government Regulations;
- the Charities Acts; and
- the Criminal Justice and Court Services Act 2000.

What is required?

What skills and expertise are required?

The Board of Directors is keen to ensure that there is a wide range of complementary skills and areas of expertise reflected on the Board. An annual skills audit is conducted to help us to plan for Director training and recruitment to help to realise and sustain this balance. At present, we are looking to recruit Directors who possess the following areas of expertise:

- Human Resources
- Governance and risk management
- Finance and audit
- Operations
- Health & Safety
- Educational standards
- Strategic leadership

However, any professional experience would be helpful, and we are keen to hear from people with a variety of skills and experience. Moreover, we are committed to diversifying the membership of our Board so that it reflects the communities we serve.

What is the commitment?

Foundation Directors are expected to attend at least three meetings of the full Board each academic year. In addition to this, all Directors will serve on at least one of the Board's Committees meeting on a termly basis as outlined below:

- Resources & Audit
- Compliance
- Performance

In addition to this, are required to be able to devote appropriate time to read and familiarise themselves with MAC documentation, policies and reports that are circulated in advance of and between meetings. There may also be occasional extra ordinary meetings in which Directors are invited to attend.

What are the benefits of becoming a Foundation Director?

This is an exciting volunteering opportunity to play a role in a vibrant and collaborative MAC that is in the process of expansion and development. The role of Foundation Director is incredibly rewarding and the benefits include:

- Personal and professional development.
- Supporting the local and wider Catholic community.
- Gaining insight into the Education Sector.
- Being able to have a significant impact on the schools in the MAC.

Openness

Holders of public office should be as open as possible about all decisions and actions that they take., They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
